### Report of Easter Celebration

### 復活節慶祝活動報告

Dear all Christ brothers & sisters: 親愛的主內弟兄姐妹們平安:

Christians across the globe celebrate Easter, commemorating Jesus' resurrection from the grave. Our church also celebrated the Easter with the mainstream Christian church and was held on last Saturday. In fact, we had a great evening program together with serving the participants with delicious dumplings. The dumplings preparation started at 1:00 p.m. which was managed by our dedicated groups of Christ brothers and sisters. The dumplings tasting time was arranged from 6-7 p.m., accompanying with good Christian songs and music. The celebration activities were commenced on time at 7:00 p.m. We had an introduction of Easter Story with power point presentation. Then, we briefly introduced our church July Retreat to all participants in order to raise their interest to join us. With no exception, the "Praise the Lord" dance team was able to heat up the church with Holy Spirit. Many of our church members demonstrated their extraordinary god's given talent to entertain the audience. We had Jenny, Michelle, Jessica to show their talent with god's blessings and we also had the young children to have a mime. The last magic show brought the celebration to the peak. Finally, we ended the celebration with a Chinese Christian song "今天可以不一樣", which carried with meaningful lyrics to touch the participants' heart. The celebration was finished on time at 9:00 p.m.
